WATFORD | NATIONAL LEAGUE | SUNDAY 15 DECEMBER 2024 | 2:00PM

WELCOME TO NEW LODGE

Welcome back to New Lodge this afternoon as we face Watford in the last match of 2024.

We thought November was going to end on a high as the team recorded their first away win of the season at Gwalia. Maddie's early strike was enough to bring home the points.

A few days later manager Adrian Parral stepped down from his position so he could return to his family in Gibraltar. With Adrian in charge, The Blues recorded 6 wins, 3 draws and 6 defeats scoring 25 goals and conceding 27.

On the same day Valentine Pursey also left the club, to take up a chance abroad. V made 10 starts for the club, scoring 3 goals.

The club would like to wish them both the best of luck for the future.

Colin Reid has been appointed as the new first team manager and Ché Thomas has rejoined the club, both before the away trip to Exeter.

So, what can you expect in today's programme? Same as usual really. It's not imaginative.

Think you could do better? Please get in touch in time for the 2025-26 season!

GREG LAKE

After 8 years involved with the football club, Greg Lake will step down as chairman of BTFC Women.

We cannot thank Greg enough for what he's done and achieved in growing the Women's side of the club in that time.

Greg and iCore have played an integral part in our growth from grassroots up to the 1st Team, leading to Essex County Cup wins and promotion to Tier 3 - the highest level in our history.

Hear from Greg :

'After a great deal of soul searching, I've made the very difficult decision to leave BTFC Women.

I've been involved for 8 years now and have seen many advances to both our Women and Girls' pathway as well as the Women's game in general.

As I move into my mid 60's, I want to put more focus on enjoying my own life, family and indeed, my own business. Whilst iCore will remain as the Women's team's main sponsor, this move will relieve me of the pressures of running what is effectively a second business.

My thanks, apologies and best wishes go to BTFC's owners (Dave and Nick), all of the staff, players and sponsors. Most of all though, I would ask everyone involved to rally around and help Kim through the coming weeks. Kim is a very special person to me and remains the heartbeat of the section. Kim will need people from around the club and game to move things forwards once again.

Take care, Greg'

GETTING TO KNOW GRACIE HICKMAN

Defender Gracie was Under 21s captain at Tottenham Hotspur last season, prior to joining Billericay in the summer.

Age?

18

Where are you from?

Romford

Who do you support?

Spurs

Footballing hero?

Harry Kane

Pre-Match ritual?

For my hair to be perfect and to smell nice

Favourite possession?

Photos. Memories are everything!

Greatest achievement?

Playing at the Tottenham Stadium with the first team

Best player you've played with?

Libby Holmes. I learned a lot from her

Toughest player to play against?

Michelle Agyemang

If you could have a superpower on the pitch, what would it be and why?

Has to be super speed

If you were stranded on a deserted island with two teammates, who would they be and why?

I'd have to pick Abbi because we'd just be making a joke the whole time, and probably Biggsy as she's a laugh as well and I reckon she could find us a way off, but if not, at least we'd be laughing.

How do you balance the demands of your football career with your personal life, and what hobbies or activities do you enjoy off the field?

Now that I've left sixth form, I'm finding it easier to balance in terms of seeing my friends and family a lot more. Things that I enjoy doing off of the pitch is going to the gym, shopping and seeing friends.

Do you play any other sports or is there a sport you would like to try?

I used to play handball and I was national champion at one point.

What advice would you give to young players starting out in their playing careers?

I'd say always play with a smile, believe in yourself and treat every game as it's your last!

Town secured their first away win of the season thanks to an early strike from Maddie Biggs.

The Blues front line was a constant threat, whilst the defence (which featured a fit again Liv Smith) held firm and looked composed throughout.

Katie O'Hanlon made her first league appearance of the season. Katie looked assured and kept a clean sheet.

Watford gained promotion to the top tier of women's football in 2007, winning the Southern Division title, 10 points ahead of Portsmouth.

They stayed as members of the top flight until the new WSL was created. Watford stayed in the second tier.

With another restructuring of the women's football pyramid, Watford were placed in the new FA Women's National League in 2018, the third tier.

A potential promotion was curtailed due to Covid but Watford lifted the FA Women's National League South title on the last day of the 2022-23 season. Promotion was sealed with a play-off win against Nottingham Forest.

The club's return to the second tier was only to last for one season.

HEAD-TO-HEAD

This afternoon will see just the fourth competitive meeting between Billericay Town and Watford.

The first meeting was played at Wealdstone's Grosvenor Park ground. Town took a 3-0 lead, with current team captain Beau Parker scoring. Watford fought back but The Blues held on to secure a 3-2 win.

The most recent meeting was played in Ruislip, with Watford scoring the only goal of the match.

Watford secured the Southern Premier title with a 3-0 win at New Lodge at the end of the 2022-23 season.

Billericay have one win in three meetings, with Watford winning the other two. The Blues scored 3 whilst Watford have scored 6 times.
